REQUEST (REPEATED) FOR CORRECTED FILING RECEIPT AND FILING DATE

Sir:

The filing receipt for this application shows a filing date of 31 July 2001, which is incorrect. On 17 September 2001, soon after I, the applicant's attorney, received the filing receipt and saw the error, I sent a "Request For Corrected Filing Receipt And Filing Date" (Enclosed as Exhibit 1) requesting a corrected filing receipt showing that the correct filing date of **30** July 2001 had been granted. The Office acknowledged receipt of this request by returning to me the self-addressed confirmation postcard (Exhibit 2) I sent along with the request.

Seial No. 09/919,689
Grp Art Unit 2832

Atty. ref.: Pos-maetning
Req to correct filing receipt

The 17 September 2001 request in turn included three exhibits (A-C), which are copied as part of the enclosed Exhibit 1:

Exhibit A: A copy of the Filing Receipt mailed for this application on 6 September 2001.

Exhibit B: A copy of the Transmittal Letter (2 pp.) filed with the application, which includes Express Mail mailing certification with the mailing label number and the deposit date of **30 July 2001**.

Exhibit C: A copy of the Customer Copy of the Express Mail receipt from the U.S. Postal Service showing **30 July 2001** not only as the "Date In," but also on the postmark.

All of the requirements of 37 CFR 1.10 were therefore met and the correct filing date should be **30 July 2001**.

The Office has still not replied to the 17 September 2001 request for a corrected filing receipt showing that the correct filing date of **30 July 2001** has been granted. **The applicant therefore repeats this request.**

Since 17 September 2001, I, the applicant's attorney, have changed my last name from Slusher to Pearce. I duly notified the Office for Enrolment and Discipline, which has changed my name in the Office's records accordingly. My registration number has of course stayed the same.
